SERB SA appoints Methapharm as Canadian distributor for CYANOKIT®

Methapharm is pleased to announce that it has been appointed the Canadian distributor for CYANOKIT®. SERB SA previously announced that it had acquired the rights to CYANOKIT® in a number of countries including Canada.

About Methapharm Inc.

Methapharm is a privately held specialty pharmaceutical company that focuses on the acquisition, licensing, and promotion of healthcare products in North America. Methapharm markets its own proprietary products as well as partners with global companies in order to deliver a line of products in the USA and Canada.

About SERB SA

SERB SA, based in Brussels, Belgium, is an independent pharmaceutical company involved in the development, marketing and distribution of essential drugs in the fields of Critical Care, Toxicology, Ophthalmology, Endocrinology and Infectious Diseases. SERB develops its portfolio of niche specialists' products, through R&D's partnerships and specific acquisitions, to maintain availability of life-saving medicines and answer unmet medical needs.
